Academy Events

- June 8 – Pajama party! Dress in your favourite cozy pajamas, all children and staff can join in and show support to the Calgary Food Shelter donations by donating \$2 each (in Director's office)
- June 14 – Dance party in the evening session for all kids in room 6, kids dance to various songs from around the world (Indian, Chinese, Spanish)
- June 22 – Bring your grandmother and grandfather to the daycare! We would love to meet and learn from them (please note there is no specific time for attendance so come anytime the schedule allows)
- June 27 – Canadian Multiculturalism day, dress in your native clothing and get your picture taken by the Director!

Summary of May

What an amazing May we had, it was an awesome experience for our children and staff. We especially enjoyed serving coffee, doughnuts, cookies and other goodies on Mother's Day to the hardworking moms who have the toughest job out there.

We thank moms and dads for attending and we want to make this a recurring event in our daycare. It was amazing to see a large turnout, and many moms attended the preschool program and got their pictures taken along with their kids.

What's Coming in June

June is going to be an adventurous month for our children. Please note we plan to take children for neighbourhood walks and are planning to take them by foot to Prairie Winds Park (1/3 km or 300 meters). Kids will get to enjoy some of the finest playgrounds in Calgary, see trees and other flowers, and will be well-supervised. We'll send consent forms shortly so please fill them out. There is no cost for this (this is planned for Preschool Program, for daycare we need parent feedback).

Results of Parent Surveys

We had an overwhelmingly positive response from parents. It is great to see that we actually improved upon our survey sent in January this year, where parents already rated us over 90% in all service areas like enrollment, education, safety, food and general environment.

The positive survey results humble us, and we put our heads together on how to better serve families and children for the future. Thank you for your trust and we are excited to bring more innovative and useful improvements to the Academy!

Activities and Learning at Early Foundations Daycare and Preschool

2018 Pioneering Class
Preschool Program

Please note our Preschool Program is year-round, which means we will be open throughout summer!
Don't miss out on the learning for Kindergarten preparation and success in school year.
